### Rules - Follow new format carefully

Entries must be from papers published during the current 2009-2010 school year.

Each school may submit **up to four** entries in each category, except Overall Excellence.

For the Columns category, send **2-3** columns by the **same author** for each entry.

For the **Overall Excellence** category, submit **three different** issues of the entire newspaper. You will enter this category only once, with one set of three different issues. The detailed critique requires a fee of \$35.

For **Layout & Design**, send a full page or spread.

For **all other categories**: clip the entry from your newspaper and mount on an 8.5 x 11 inch sheet of paper. If the entry is too large for one sheet, tape further sheets so that the entry will fold to the size of one sheet.

Duplicate the enclosed Entry Form as needed and **staple** a completed copy to each entry. Remember that Overall Excellence is one entry, not three. (Please don't use paper clips).

Entries that do not conform to these guidelines will be disqualified.
